

Bahrain Marina Development Company to take part in Cityscape Global

Manama, 10 September 2017: Bahrain Marina Development Company, the wholly-owned subsidiary of the Social Insurance Organization (SIO), announced its participation in the 16th edition of Cityscape Global, to be held in Dubai World Trade Centre on September 11th to 13th 2017.

Through its participation, Bahrain Marina Development Company aims to showcase the 310,000 square meters mixed-used development project in the heart of the capital, Manama, as well as highlight the project's completion stages.

Mr. Abdulrahman Yusuf Bin Yusuf Fakhro, the Chairman of Bahrain Marina Development Company, stressed on the importance of the company taking part in the renowned Cityscape Global Exhibition and Conference, as it is a great platform to showcase the developments in the Kingdom of Bahrain.

“Taking part in Cityscape Global is vital for Bahrain Marina and we are proud to be part of such a renowned global exhibition. Our participation aims to highlight the latest developments and progress of Bahrain Marina, as well as the positive impact it will have on the national economy,” said Mr. Abdulrahman Yusuf Bin Yusuf Fakhro.

The CEO, Mr. Yazan Haddad added, “Participating in a regionally renowned real estate exhibition and conference is a milestone we proudly add to our solid track record. Our objective is to draw attention to the real estate sector in the Kingdom of Bahrain showcasing one of the latest development projects – Bahrain Marina, an iconic mixed-used development project which aims to integrate residential apartments, entertainment facilities, a five-star hotel and state-of-the-art maritime facilities.”

“Through this modern development, we aim to create a national landmark that will support the overall economy of the Kingdom and create job opportunities for Bahrain,” he further added.

Recognized as the largest and most renowned real estate exhibition in the region, Cityscape Global is a platform bringing together the biggest names in the real estate industry for an opportunity to exchange knowledge and stay abreast with the latest industry trends and challenges. Cityscape showcases the latest developments and projects in the industry, and features specialized programs aimed at addressing most relevant questions and discussions in regards to the real estate industry.

Cityscape Global 2017 will host more than 300 regional and international real estate development and investment companies. Major projects were announced during last year's edition which witnessed 38,055 participants, 272 exhibitors representing 86 countries across the globe.

Bahrain Marina, dubbed as an iconic world-class facility, stretches along a pristine coastline in the heart of Manama and will be positioned as the Kingdom's prime lifestyle and leisure destination. Aiming for completion by 2020; the mix-used development will include a five-star lifestyle hotel, serviced and freehold apartments, waterfront villas along with a shopping mall, fully-integrated family entertainment centre and recreational waterfront space with dining and retail

space. A yacht club will be built covering an impressive area with the capacity of berthing a vast number of boats of different sizes.
